Dear Mr. Pierce:

I am writing as a concerned property owner in the Sonoita / Elgin area. My brother and I own two ten acre parcels, Parcel # 106-60-005A and Parcel # 106-60-005B.

It is my understanding that there is an application by SSVEC for a moratorium on all future power hookups in the Sonoita / Elgin area due to a recent vote by the Corporation Commission against a new power transmission line that was proposed by SSVEC. It is also my understanding that the current transmission line is inadequate and that there are frequent "brown-outs" and other power outages.

I am in favor of the new transmission line and believe that it will benefit current and future residents of the area. I am writing to let you know that I would like you to consider **voting to approve** the proposed transmission line.

Please re-consider this issue and **vote to approve the proposed transmission line**. Please consider **all** of the current and future land owner's interests and safety.

Thank you for your consideration in this matter.

Sincerely,
DOS HERMANOS GUAPOS, LLC

David L. Putt
